

Placement & Career Guidance Cell & IQAC Activity

ONE DAY WORKSHOP ON “EXPLORING CAREER AVENUES, RESUME WRITING AND EMPLOYABILITY SKILLS” 19TH MARCH 2019

The Placement and Career Guidance Cell of Post Graduate Centre has organized One Day Workshop on “ Exploring Career Avenues, Resume Writing and Employability Skills” for M.Com., B.Com., and BBA Final year students on 19th March, 2019 from 11.30 am to 4.30 pm in Sri P.M.Chikkaboreiah Hall.

Today at 11.30 am, the workshop was inaugurated by the college Principal, Dr.S.MariGowda. Dr.Ashwini S, Associate Professor and HOD of P.G. Centre, Dr. B.S. Harsha, Dr. Rajeshwari G.M, Smt.S. Poornima and Sri.Prashanth Kumar G, the faculties of P.G. Centre and Prof. N. Geetha, Placement Coordinator, VVFGC were present in the inaugural function.

The Workshop consisted of three technical sessions. Technical Session-I had the theme “Career Avenues” by CS.Alok, Founder Ekcel Academy, Mysore was the Resource person. He opined that knowing about the career is and identifying core strength more important than employer or salary offered.

Sub theme of the Technical Session II is “Resume Writing” and Sri Girish S. Gunagi, HR Executive, Asian Paints Ltd., Nanjangud was the Resource Person. He emphasized that exploring is more important for an individual. He not only gave an insight about the contents and significance of CV but also highlighted that CV is like mirror and interview is like a 20/20 match.

The Sub theme of the Technical Session III is “Employability Skills” Mr. Bharath S, Marketing Manager, IT Champs Software Private Limited, Mysuru was the Resource Person. He gave the student ‘wake up call’ that machines are replacing humans. Hence, whatever additional skills an individual acquires it is ‘Additional Medals’ in their employability basket.. and every student should be ‘Industry Ready’. He focused on ERP like SAP that has more demand in the job market.

The programme paved the way for students to get ready for placement. Around 250 students from both UG and PG participated in this workshop.
