“Artificial Intelligence facilitates for students’ academic excellence ”

Yogesh M J

On 22nd of April, 2024, a Three days’ Workshop on **“ARTIFICIAL INTELLIGENCE & APPLICATIONS”** was organized by the Department of Computer Applications, Vidyavardhaka FGC, Mysuru. The Programme was inaugurated today. Mr.Yogesh M J, Asst.Professor, Department of Computer Science, NIE Engineering College, Mysore was the Resource person and he was the Keynote Speaker.

In his inaugural address, he opined that, this workshop was organized exclusively for Final year BCA students, as a part of their academic curriculum. As all we know AI technology has become increasingly important in the modern world due to its numerous

applications and benefits. BCA graduates with AI knowledge and skills are in high demand in the job market today. So the main objective of this work shop is to encourage and to enhance the knowledge of the students. This workshop equips students with the theoretical knowledge, practical skills and hands-on experience needed to excel in the rapid growing field of artificial intelligence and applicants.

Principal of the college Dr.S.MariGowda, in his address, he emphasized on the use of modern technology by the students in the field of education. Further, he advised the students to switch-on to the modern mode of learning by using Artificial Intelligence.

Initially, Mrs. Sowmya Pradeep, HOD of Dept. of BCA welcomed the audience and introduced the Chief Guest. Ms. Rashmitha faculty of BCA department rendered vote of thanks. Faculties of the BCA department and final year BCA students were present on the occasion.
