DATE: 09-07-2026 | TIME: 10AM – 04PM | VENUE: SRI P.M. CHIKKABORAIAH HALL

The IQAC & Skill Development Training Cell, the Career Guidance and Placement Cell of Vidyavardhaka First Grade College, Mysuru, in association with WizzyBox Pvt. Ltd., organized a one-day Workshop on “**Software Testing**” for II and III Year BCA students at Sri P. M. Chikkaboraiah Hall.

The programme commenced with a warm welcome by Ms. Meghana, who welcomed the Principal, resource person, faculty members, and students. The workshop was inaugurated in the presence of Dr. S. Mari Gowda, Principal, who addressed the gathering. In his speech, he emphasized the importance of software testing skills, industry-oriented training, and continuous learning to enhance students' employability and prepare them for successful careers in the IT sector.

The resource person, Mr. Vijaya Bhaskar P., AVP – Training and Development, conducted an informative and interactive session on Software Testing. He explained the fundamentals of software testing, testing methodologies, software development life cycle, career opportunities in the testing domain, and the essential technical and professional skills required to succeed in the IT industry. The session included practical examples and interactive discussions, enabling students to gain valuable industry insights.

The workshop witnessed enthusiastic participation **from more than 100 II and III Year BCA students**, who actively interacted with the resource person and clarified their doubts throughout the session. The programme proved to be highly informative and beneficial, helping students understand the latest trends and career prospects in software testing.

The programme concluded with vote of thanks by Ms. Meghana, who expressed her gratitude to the Principal, Resource Person, faculty members, and students for making the workshop a grand success.
